UWCC will be submitting a grant request for materials/supplies from Home Depot Foundation! Home Depot focuses their in-kind giving on veterans. Please help us accurately complete that application by sharing how many veterans will be impacted by this project, their branch of service, any military conflicts they were involved in and the amount and time they spent in the military:

Number of community members who will be positively impacted by this project (you may include clients affected by the financial benefit to your organization): _____

How many veterans will this project benefit (you may include clients affected by the financial benefit to your organization): _____

Will you be able to coordinate a supply pick up if Home Depot supplies them? Y/N

*If you have more than one project, please submit on a separate project proposal form.

Please complete and return no later than March 8, 2023 to: clatsopunitedway@gmail.com

United Way partners with nonprofits, parks, schools and volunteers for an annual Day of Caring. Projects vary in scope, size and feasibility, this application does not guarantee a project will be chosen. Snacks/light lunch will be provided at each site for volunteers. All ages and skill sets are welcome and encouraged!
